

# Trans ≈ Power

---

We take this opportunity to introduce our service venture **Trans Power** in the field of Transformer, Switch gear and other HV Machines. **Trans Power** is having strong base in Industry for Erection, Commissioning and Servicing, Overhauling of Transformers since last 10 years. We plan to diversify in new areas of HV Switch gear and HV Machines for Installation, Commissioning, Site Testing, Overhauling and Condition Monitoring so as to provide all services under one umbrella to our valued customers.

This venture is initiated by experienced engineers with technical qualifications and have spent more than two decade in the Capital Equipment's in Power Electricals like transformers up to 400 KV Class 500 MVA, HV Switch gear up to 400 KV Class and HV Machine up to 11 KV, 5 MW.

The Customer list is long and comprises of various sectors like Power, Chemical, Gas, Cement, Petrochemical, Steel etc. We serve the mammoths of Indian industries such as NTPC, PGCIL, Reliance Industries, State Elect. Boards, Aditya Birla Group, Torrent Power, NTPC, GAIL, ONGC, IFFCO, ESSAR, Indian Railways to name a few.

## **We provide the following on site services:**

### **A. Transformers**

1. Transformer Overhauling up to 500 MVA, 400KV class on site.
2. Annual Maintenance Contract of Transformers' up to 315MVA 400KV class.
3. Oil Filtration & Oil Quality Improvement with High Vacuum filter machine.
4. On Site Special Testing like SFRA, Internal Inspection of Insulation and Condition Monitoring of Transformers and Life assessment with recommendations
5. Provide spares for all make of Transformers with company prescribed specifications at competitive prices.
6. Erection, Commissioning and Testing of Transformers at Site (Already commissioned 500MVA, 400KV transformer & 765 KV Single Phase Reactor at Wardha )
7. Providing services for OLTC at site like CGL Make, Easun MR make, CTR Make etc
8. Provide temporary arrangement of Transformers so as to reduce the production losses up to a certain extent while the maintenance process is completed.

# Trans ≈ Power

---

## **B. HV Switchgears**

1. SF6 Switch gears overhauling up to 400 KV Class and VCB from 11 KV to 33 KV at site.
2. Annual Maintenance Contract of Switch gear and Switch Yard.
3. On Site Special Testing and Condition Monitoring of Breakers and Life assessment with recommendations.
4. Provide spares for all make of Breakers (SF6 & Vacuum) at competitive prices.
5. Erection, Commissioning and Testing of SF6 Breakers and Vacuum Circuit Breakers at site.
6. Retrofitting of old and obsolete breakers with new Compact breakers like BOCB( Bulk Oil Circuit Breakers) by VCB( Vacuum Circuit Breakers)
7. Third Party Inspection and Vendor Certification
8. Final Product Inspection on behalf of End Customer

## **C. HV Machines**

1. Overhauling of HV Motors up to 3 MW at site.
2. Annual Maintenance Contract of HV & LV Motors.
3. On Site Special Testing like Vibration, , Condition Monitoring of HV Motors and Life assessment with recommendations.
4. Provide spares for all make of HV Machines at competitive prices with Fitment Assurance.
5. Erection, Commissioning and Testing of HV Machines at site.
6. Retrofitting of old and High Losses HV Motors with New Energy Efficient Motors.
7. Consultancy for Energy Saving and Effective Maintenance of Plant Equipment's

## **Core Competencies**

We empathize with your views on the importance of the transformers, Switch Gears and HV Motors and the necessity of the flow of power. We are also aware about the essentiality of the time within which the troubleshooting must be done. The major industries are located in remotest industrial belts where emergency accessibility is a query. Considering this we will strive to provide immediate

# Trans ≈ Power

---

online support through the internet and Mobile, apart from this we are equipped with on site support at the earliest. We are initiating an array of web based solutions which is in the infancy stage in the Service industry at present.

**Trans Power** has strong values and ethics in conjunction with technologically advanced equipment's so as to satisfy our client's needs and we have experienced technicians and engineers on standby 24X7 so as to answer all your queries and deliver you immediate solutions.

Our team includes dynamic and committed professionals who strongly believe the value of time bound results considering the safety of the equipment and the individuals working around. We strictly follow the prescribed guidelines of the IS standards.

The services we propose to promote at **Trans Power** will comprise of all the traditional services offered with an amalgamation of technologically advanced, superior, immediate and effective solutions resulting into a perennial flow of power which is the back bone of any manufacturing and processing industries.

## Our Pledge

We would appreciate all your support and would pledge that we will provide rational and dependable solutions which will ensure a persistent performance and an incessant flow of power.

## Core Team

### **Mr. Pramod Malviya( Mobile : 09724334358)**

Associated with Multinationals, Multi Solution Power Companies like **Crompton Greaves Ltd, Siemens Ltd, ABB Ltd** since last 20 years as All India Service Head. He handled products like 400 KV Transformers & Switchgears, 11 KV HV Machines. Lot of mile stones like awards from Managing Directors of Crompton Greaves Ltd., Prestigious Foreign Tours, and Customer Appreciation Letters etc. Has provided best services to all mammoth customer like Reliance Ltd., Indian Oil Corp. Ltd., Essar Steel, Power, ITC Ltd.

### **Mr. J B Shinde( Mobile: 09960274356)**

Association with Crompton Greaves Ltd as Quality & All India Service Head for Medium Voltage Switch Gear in Nasik Plant from 1981 to 2006. After that joined as Quality Head in ABB India Ltd., Nasik Medium Voltage Switchgear Plant and worked till 2014. He is having versatile hand on experience in Medium Voltage Switchgear for Quality, Production, Marketing and Customer Services. He is conversant with Special Process like Power Coating, Welding & Plating etc.

He is having through knowledge of ISO 9001, OSHAS, ESH Systems.

# Trans ≈ Power

---

**Mr Anupam Mahajan ( Mobile: 09910012326)**

Associated with Multinationals like GE Power Control, Havells, Lafarge for more than 20 years as All India Marketing Head and having warm relation with all customers gave him energy to transform in to business. He is heading Trans Power North Operation from Delhi.

**Mr. Gyanendra Pandey (Mobile: 09687634703)**

Having hands on experience in field of Transformer and Switch gear since last 10 Years and handling site execution and all other work activity in our company with help of supporting team.

**Our MOTO**

*Safety First as we have Skilled, Trained and Committed workforce*

# Trans ≈ Power

## Organization Credentials:

### A. Name and Experience of the Partners:

Name	Age	Experience
Pramod Malviya	54	Hands on Experience of 30 Years and Worked with CGL , ABB & Siemens
Jatin Patel	48	

### B. Details of the Execution Team with their Qualification and Experience.

Name	Qualification	Place	Experience
JB Shinde	BE(Elect)	Nasik	36 Years
Pramod Malviya	DEE	Baroda	30 Years
Anupam Mahajan	BE	New Delhi	30 Years
Dinesh Mudiya	DEE	Bhopal	17 Years
Gyanendra Pandey	BE	Delhi	10 Years
Rachit Shah	BE	Gujarat	05 years
Brijkishor Vishvakarma	DEE	Bhopal	05 Years
Ashok Prajapati	DEE	Jaipur	05 Years
Chirag Raj	BE	Vadodara	02 Years
Bhumik	BE	Vadodara	01 Years

### C. List of Technicians with their Qualification and Experience:

Name	Qualification	Place	Experience
Raju prajapati	ITI	Bhopal	05 Years in BHEL

# Trans ≈ Power

## D. List of Supporting Staff with their Qualification and Experience:

Name	Qualification	Place	Experience
Harsh Puvar	Graduate	Gujarat	7 years

## Details of Resources Owned Directly.

### a) List of Capital Equipment with Capacity, Make & Manufacturing Year

Name	Capacity	Make	MFG Year
Filter Machine	6KL	CEE DEE Vacuum, Pune	2011
Dry Air Generator	50 CFM	Energy Process, Bhopal	2013
Dew Point Meters	-60 Degree	Testo & Vasthi,	2013
PPM Meter		Vasthi Make	2017
Portable Combined Dew Point & PPM Meter		Vaishala Make	2018

### b) List of material handling equipment:

Name	Owner	Registration No
1. Enova	Trans Power	GJ6KP8326
2. Eicher Truck	Trans Power	GJ6AT2778

### c) List of Major Testing Equipment.

Testing Kit	Rating	Make	MFG Year
BDV	100KV	Moonlight	2012
Megger	5KV	Kyoritsu	2013
CRM		Scope	2011
TIMER		Scope	2011
HV Kit	40KV	Moon Light	2011
Multi Meter(5 nos)		Meco	2010
